God's Little Book of Love / R. Daly — «HarperCollins»,

God's Little book of Love features inspiring thoughts and quotes each set on a background illustration and accompanied by references to relevant Bible passages for further reading and encouragement. "There is no fear in love; perfect love casts out fear." Love. The very word has inspired thousands of songs, poems, speeches, and stories. It is the basis upon which human relationships are born and develop, and it is the golden cord that keeps us together. It is love, indeed, that makes the world go around. Each of us has the seeds of love that can be cultivated to grow and spread out to each other. Anyone can make a difference, even if it is with just one person at a time. This small volume is designed to provide a few ideas and thoughts to help you make a positive difference in somebody's life. "One principle ought to give you courage – that is the principle that no evil lasts forever, nor indeed for very long." "What lies behind us and what lies before us are but small matters compared to what lies within us."
