Family and other Animals**

Аннотация

Do you often feel you can't say no? Are you spread too thin between your relationships and your responsibilities? Is there never time to do the things that really matter to you? There is a solution to this very modern chaos: boundaries. It's undeniable that setting clear boundaries in our relationships and families, our home and our workplace would improve life for everyone in this fast-moving world. But where do you start? Boundaries offers hands-on practical exercises, case studies and lessons on personal boundaries, families and the real shape of healthy relationships and friendships. It gives you the perfect tools to develop good habits in all areas of your life: from sleep and eating to dating and social media use. Dive into this groundbreaking four part programme and you will begin to develop the right personal boundaries to find a life that nourishes and fulfils you, and hands control of your life back to you — once and for all. This part will teach you how to use boundaries in connection with those who shaped you first: your parents or other caregivers in particular, before gathering the skills you need to bring up your own children and interact with your wider family:- Parents/Elders- Children- Adolescents- Blended Families-

Siblings These books can be read individually or as a series in any order. Jennie Miller MSc is a Transactional Analysis psychotherapist, trainer and relationship expert with 20 years' experience. Victoria Lambert is an award-winning journalist on health and wellbeing issues.
