Richard Daly

God's Little Book of Hope

Аннотация

A pocket-sized book filled with inspirational religious thoughts on the theme of hope. Each page has an inspirational thought or idea, along with a related Bible reference for further reading and encouragement. "What a caterpillar calls the end, the rest of the world calls a butterfly." In a time when things seem rather despairing, and when the news of the day seems to be nothing more than bad news, what hope is there when the future seems so hopeless? There are people dying with no hope and, perhaps even worse, people living with no hope ... and yet in the midst of such a seemingly dark and gloomy outlook, there is a ray of light. We can experience life and be optimistic of a bright future and a hopeful tomorrow. It is God's desire that we live life abundantly, but how can we do this? Open this little book at any page, and answers will be provided, enabling you to experience a life worth living: "Pick yourself up when you fall down. No one else is likely to." "There are no hopeless situations ... only attitudes that have grown hopeless about them."
